Rob,

Please see attached for EPA's responses to the CPG's comments regarding chemical monitoring at the River Mile 10.9 removal action.

As per Paragraph 27 of the Administrative Settlement Agreement and Order on Consent for Removal Action (CERCLA Docket No. 02-2012-2015), please submit a Long-Term Monitoring and Operation and Maintenance Plan to EPA.

EPA asks that the plan is submitted within thirty (30) days from the date of this email.

Thanks,

Jennifer LaPoma
